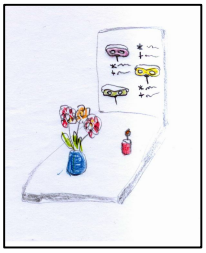
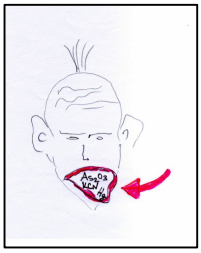
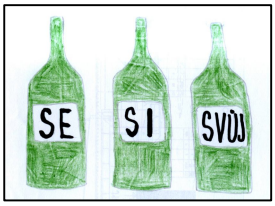
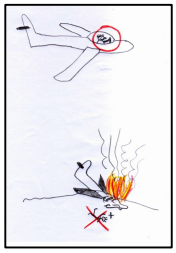
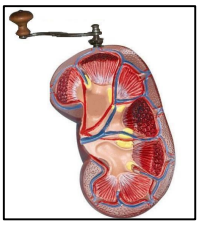
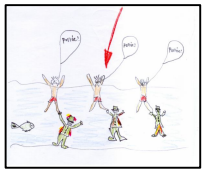
šifra č. 11


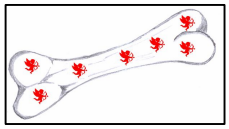


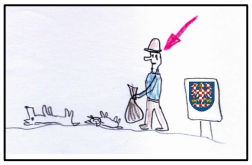


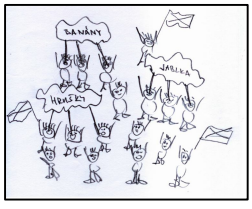


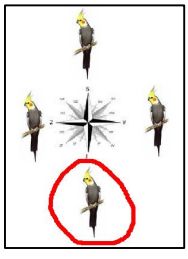


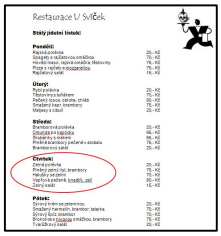


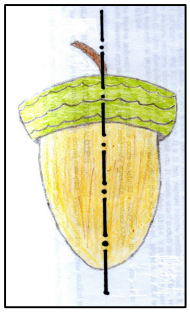












Následujících dvacet obrázků tvoří celé zadání jedenácté šifry. Abyste si ji mohli z tohoto místa odnést, dostáváte obrázky ve zmenšené černobílé kopii. Pokud si nejste jisti, co na obrázcích vidíte, organizátoři vám na požádání ukážou velké barevné originály. Nezdržujte se u nich zbytečně, nic převratného v nich není k nalezení.
